# SUMMER ASSIGNMENT (AY -2025-26)

CLASS - NURSERY

Dear Parents,

Greetings!!

It's time to put on those sunglasses and welcome the sunny days of summer! Our tiny tots have worked hard and now deserve a season full of giggles, play, and fun.

Let your child:

Splash in safe water play,

Create magic with colors and crayons,

Listen to bedtime tales under the stars,

And dance like no one's watching!

This break is a wonderful chance to build beautiful memories and spark curiosity. Encourage them to explore, imagine, and enjoy the little wonders around them.

We are sharing some worksheets for our little ones kindly take a print of it and help your ward to practice the same.

Wishing you a cool, creative, and joyful summer holiday!

With warmth and smiles,

Pre Primary wing!!
